PIONEER GYM FLOOR CARE KIT

Another Pioneer Simple Solution!!

Introducing our new Gym Floor Care Kit, another simple solution from Pioneer! Its new sleek design combined with its large surface area provides faster, more effective wide-area cleaning.

This amazing product is constructed of microfiber to effectively clean debris from hard surface areas.

HUGE TIME SAVER!!

FEATURES:

- Convenient built-in spraying handle
- Sturdy aluminum liquid dispensing handle
- Easy to slide mop onto frame for quick, secure cleaning
- Dimensions: 50" x 5"

KIT INCLUDES:

- Dust Mop Frame Attachment
- EZ Mop Handle
- 50" x 5" Dust Mop Frame
- Microfiber Dust Mop

RECOMMENDED USE:

- Basketball/Volleyball Courts
- Hallways and VCT flooring
- Office Buildings
- Multi-purpose gym, stage, aerobic and dance floors
- Any large hard floor surface

BENEFITS:

- Great for cleaning floors of debris prior to applying floor finish
- Protects the floor finish
- **HUGE** time saver!
- Cleans in minutes
- Dries instantly
- Reduces maintenance costs
- No need to pre-dust mop prior to tacking
- Dust mop & tack in one single pass
- Lifts dirt and debris off floor easily
- Helps avoid slip and fall injuries
- Helps increase performance for practice drills and game use
