

Pioneer Simple Solutions STRIP SHOES

Stay on your feet with PIONEER Strip Shoes.

Pioneer Strip Shoes can help reduce the chance of slipping by providing better traction on wet floors; including when working on water, soap, wax, and stripping solutions. These Strip Shoes fit over most normal footwear. They have fully adjustable Velcro straps. Pioneer Strip Shoes improve walking safety, therefore increasing productivity. They may even help reduce workers' compensation claims. These shoes are very durable and industrial grade and have the best value in the industry!!!
