XTRACT-O-MOP

RESTROOM ODOR

Eliminate cross contamination while saving time and money by using the Pioneer XTRACT-O-MOP Restroom Cleaning System!

Another unique yet simple tool from Pioneer!!!

The Pioneer **Xtract-O-Mop** can be used to clean and disinfect restrooms, for hard floor mopping, blood born pathogen and bodily fluid clean up, as a carpet spotter, mini extractor, and carpet pre-sprayer...

In addition to being big enough to do those larger clean-up jobs, this unit is a compact, economical powerhouse designed for quick clean-ups.

This machine offers a simple solution to most of your hard floor and carpet care needs!

Foaming Trigger Hand Sprayer

Quick Pick Up Squeegee Tool

XTRACT-O-MOP

Xtract-O-Mop Features and/or Accessories

3-1/2 Gallon Capacity
2HP
105" Water Lift Vac Motor
60 p.s.i. Pump
8' Vacuum and Solution Hose
Stainless Steel Hand Tool w/ Clear Plastic Head
Float Ball Shut Off
3 Position Switch
25' Power Cord
1/4" FPT Brass Coupler

A float ball shut-off in the recovery tank helps protect the vacuum motor from damage and the spin-off clean cover allows positive clean out at the end of each job. The recovery tank releases easily and has a carrying handle with a pour out spout to prevent spilling when emptying. A 3-position switch allows the user to choose the vacuum and spray mode, off, or the pre-spray mode only.
