## Lok-A-Mop Handle

*One of Pioneer's many Simple Solutions!!*

**Pioneer Chemical Company's newest commercial wet mop handle keeps your hands **clean** and **dry** when removing dirty mops.**

The Lok-A-Mop features:

- Trigger latch allows for easy loading and unloading of mop head
- Available in 60" wooden handle length and 1-1/8" thickness
- Also available with fiberglass or metal handles
- Made from lightweight, reinforced plastic, which does not corrode and will not scratch floors
